

Foods That Get Your Juices Flowing – So to speak.

Some of the most common and healthy foods can contain just 'what the doctor ordered' this Valentine's Day.

Listen in tonight on Queer Radio to find out why!! (102.1fm @ 9:45pm)

Chocolate

Watermelon

Celery (for girls)

Bananas

Pomergranite

Each of these foods, fruits and vegetables, contain chemicals that may result in a higher libido, more stamina and increased sensitivity.

Use at own risk 😊.
